Limits on what we will pay

The most we will pay for any one event is the total of:

  ◦ ‘**Towing, storage and transport**’ on page 5
  ◦ ‘**Road clearing and emergency costs**’ on page 5
  ◦ ‘**Temporary accommodation**’ on page 5
  ◦ ‘**Trailer cover**’ on page 5
• the maximum you are entitled to under the optional benefit ‘**Rental Cover**’, if you have chosen this benefit, on page 6.

We will reduce the amount we pay by the total applicable excess and any other deductions set out in this policy.

Making a claim

This section explains what you need to do when you make a claim.

**You must comply with all the following conditions**

**What you must do immediately after an event**

Immediately after an event, you or any driver must:
• take all reasonable steps to prevent further loss
• make a complaint to the police in the case of theft, burglary or vandalism, or the attempt at these
• tell us if you or any person covered by this policy is charged with any offence that has resulted in **bodily injury** to another person.

**What you must not do after an event**

You must not do any of the following:
• admit liability
• incur any expense or negotiate, pay, settle, or make any agreement about any claim without our consent
• make any offer of reparation (including as part of any case management conference or sentencing hearing) without getting our consent in writing.

**Information you must give us after an event**

As soon as possible you or any driver must tell us:
• that the event happened, giving full details and circumstances of what has happened, including details of everyone involved
• if any of your lost or stolen property is recovered.

**Other conditions you must comply with after an event**

As soon as possible you or any driver must:
• get our permission before you incur any expense, other than the reasonable cost of urgent work to prevent further loss
• send us all relevant communications you receive
• make your vehicle available for inspection and assessment before any repairs are carried out
• keep damaged property for our inspection
• provide proof of ownership, information and other evidence that we ask for, including proof of purchase.
What you must do to support the claims process
You must co-operate with us and give us any information or help we ask for about your claim.
You must also assist and co-operate with us, our assessors, investigators, lawyers or anyone else we appoint to help with your claim.
This includes all the following:
• activities associated with making your claim
• your claim settlement
• the defence of any potential claim against you
• any action against anyone else.
You must also allow us, at our expense and in your name, to:
• take any action necessary against any other party
• take over and conduct the defence and settlement of any claim against you.

What happens if you do not comply with any of the claims conditions
If you do not comply with any of the claims conditions, we can:
• decline your claim
• recover from you what we have already paid.

You will have to pay an excess
You must pay an excess for each individual event. We may deduct your excess from the total settlement amount.
The circumstances of your claim determine the value of the excess you need to pay. You might have to pay more than one type of excess for each claim. Your policy schedule tells you the amount and types of excess.
If you claim under more than one policy with us for loss caused by a single event at the same location, you will only have to pay one excess. This will be the highest total applicable excess.

What we need to reimburse your excess
We will reimburse your excess for an event if you have paid your excess and all the following criteria are met:
• you give us the correct name and contact details of the other driver
• you give us the correct registration number of the other vehicle
• the person responsible confirms their involvement in the event
• we agree the driver of your vehicle was not at fault and did not contribute to the event.
If your claim is for theft, you must make a complaint to the police. Your complaint must result in the offender being charged before we can reimburse your excess. If you withdraw your complaint against the offender, you must repay the excess.

How we will settle your claim
This section explains how we will settle your claim.
We will choose to settle your claim in any of the following ways:
• Repairing your vehicle
• Paying the costs to repair your vehicle
• Paying your claim as a total loss.

Repairing your vehicle
When we choose to repair your vehicle
We can choose to repair your vehicle if it has been damaged, and we believe all the following:
• your vehicle can be repaired safely
• your vehicle is more cost-effective to repair than to pay the Agreed Value.

When we arrange to repair your vehicle, we will ensure it is repaired to a standard comparable to the condition of your vehicle immediately before the event. We will choose repairers from our group of AA Insurance repairers.

We will give you a Lifetime Repair Guarantee
If your vehicle is repaired by one of our AA Insurance repairers, we guarantee the quality of workmanship, parts and materials used for your claim. This guarantee will remain in place while your vehicle is registered for road use in New Zealand.

If we repair your vehicle to a better condition
If the repairs will put your vehicle in a better condition than it was immediately before the event, we will discuss this with you before any repairs begin. If we agree to complete repairs that are unrelated to your claim, you must pay the extra costs.

When we repair or replace parts of your vehicle
We will decide whether damaged parts on your vehicle are repaired or replaced. We will use new, recycled or reconditioned parts. You must let us take ownership of any parts we have replaced that have been damaged, lost, or stolen and are recovered.

If we choose to replace any parts, we will use original manufacturer branded parts, except for windscreens and window glass. When available, windscreens and window glass will be replaced with compatible aftermarket glass that meets all Australasian safety standards.
Paying the costs to repair your vehicle
We can choose to pay the cost to repair your vehicle to a standard comparable to the condition of your vehicle immediately before the event. We will pay the lowest of the:

- reasonable cost of the repairs as estimated by our assessor
- amount we would have paid if we arranged the repair ourselves.

We will not be responsible for the quality of workmanship provided by the repairer. We will not provide any guarantee relating to the repair.

For any part not available in New Zealand, the most we will pay is the lowest of the:

- manufacturer’s last known list price in New Zealand
- price of the part’s closest New Zealand equivalent
- cost of having a new part made in New Zealand.

We will not pay for the cost of freighting parts from overseas.

Paying your claim as a total loss
We can choose to determine your vehicle as a total loss if we believe any of the following:

- it is not safe to repair the damage to your vehicle
- the cost of repairing your vehicle is more than the Agreed Value, or it is uneconomic to repair
- your vehicle has been stolen and has not been found within 10 days.

What happens when your vehicle is a total loss
Unless we have chosen to replace your vehicle under the standard benefit ‘New vehicle cover’ on page 6, we will pay you the Agreed Value when your vehicle is a total loss. We will deduct your total applicable excess, and any on-road costs that are not fully paid or up to date, from your settlement payment.

Once your claim is settled, your vehicle, including all accessories and modifications, becomes our property. We will also be entitled to any refund of on-road costs. This includes when your vehicle is recovered after it has been stolen.

Your premium and policy when your claim is a total loss
When your claim is a total loss, you must pay the total premium for the period of insurance in full before we can settle your claim. If you are paying your premium by instalments, we will deduct any unpaid instalments from your settlement payment. Your policy will end on the date of the event. You will not receive any refund of your premium.

Standard benefits – cover automatically included
Your cover automatically includes the following benefits if we have accepted your claim under this policy.

**Towing, storage and transport**
We will pay the reasonable costs for any of the following:

- moving your vehicle to the nearest repairer or place of safety
- storing your vehicle
- transporting you and your passengers to your home if your vehicle cannot be driven.

**Road clearing and emergency costs**
We will pay the reasonable costs for any of the following:

- removal of debris from any road or parking area
- essential emergency repairs so you can get your vehicle to your destination or a repairer
- returning your vehicle to your home after it has been repaired, or after it is recovered if it was stolen.

**Temporary accommodation**
We will pay up to $500 for the reasonable costs of temporary accommodation for you and your passengers, if you are unable to return to the place you are currently living or staying.

**Keys and locks**
We will cover the replacement of the keys and locks for your vehicle if the keys are damaged, lost, or stolen.

You do not have to pay an excess for claims where your vehicle keys are stolen, and all the following criteria are met:

- you have reasonable grounds to believe the thief knows the location of your vehicle
- your vehicle has no other damage
- the total value of your claim is less than $750.

If the value of your claim is more than $750, you must pay the extra costs needed to replace your keys and locks. The most you will pay is the ‘comprehensive excess’ shown on your policy schedule.

**Trailer cover**
We will insure you for an event that happens to a domestic trailer owned, hired or leased by you while it is attached to your vehicle.

This benefit does not cover any of the following:

- caravans, boat, horse or camper trailers
- trailers that are insured by another policy
- trailers which cannot be towed by your vehicle
- trailers which are not attached to your vehicle
- the contents of any trailer.

We will pay the Market Value of the trailer up to $1,000 for any one event. If you are only claiming under this benefit, a total excess of $150 applies to each claim.
**New vehicle cover**

If your vehicle is less than one year old and we determine it as a total loss, we may decide to replace your vehicle with a new vehicle. We will also pay any associated **on-road costs**. The replacement vehicle will be:

- the same make, model, and specification as your vehicle
- fitted with the same options, **accessories** and **modifications**, as those fitted to your vehicle
- available in New Zealand.

You must first pay us your total applicable excess and any **on-road costs** that are not fully paid or up to date.

If we do not replace your vehicle, we will pay you the **Agreed Value** and reduce the amount we pay by the total applicable excess. We will also deduct any **on-road costs** that are not fully paid or up to date.

**Replacement vehicle cover**

We will automatically insure a replacement vehicle for its **Market Value** for 30 days from the day you replaced or traded in your vehicle. You will be covered as long as you do all the following:

- tell us within 30 days of the purchase date of the replacement vehicle
- pay any extra premium that we may require.

The replacement vehicle will be insured under the same terms that apply to your vehicle.

**Additional vehicle cover**

We will insure an additional vehicle for up to 30 days from the purchase date for its **Market Value** or $100,000, whichever is the lowest value. You will be covered as long as you do all the following:

- tell us within 30 days of the purchase date of the additional vehicle
- pay any extra premium that we may require.

The additional vehicle will be insured under the same terms that apply to your vehicle.

**Optional benefits – cover you have chosen**

If you have chosen to include the following benefits, they will be shown on your **policy schedule**.

**Excess-Free Glass Cover**

You do not have to pay an excess for claims for sudden and accidental physical damage to your windscreen or window glass, as long as there is no other damage to your vehicle.

This benefit does not cover any of the following items:

- sunroofs, glass roofs, mirrors
- headlights, tail lights, lamp covers
- any other glass or transparent plastics on your vehicle
- the replacement of anything attached to the windscreen or window glass.

You will need to pay an excess if you make a claim for any of the items mentioned above.

This policy does not cover the following:

- any damage, wear and tear or deterioration to your vehicle that must be repaired to enable glass to be fitted
- the replacement of any undamaged glass or parts of your vehicle to create a match.

**Rental Cover**

If we have accepted your claim and you are without a vehicle, we will provide you with a subcompact rental vehicle. You are covered under this benefit until your vehicle is repaired or we determine your claim is settled.

You must pay additional costs or expenses, including:

- fuel used
- deposit or bond for the rental vehicle
- extras hired with the vehicle.

You are covered under this benefit for loss to the rental vehicle, as long as the event would have been covered by this policy. The most you will pay for any one event is your total applicable excess.

This benefit will not apply if your claim is for the optional benefit ‘Excess-Free Glass Cover’.
Your legal liability

The most we will pay for legal liability is a total of $20 million for any one event.

You can only claim on legal liability under one policy per event.

Property damage
We will pay up to $20 million for your legal liability for damage to physical property arising from an event in New Zealand involving your vehicle during the period of insurance.

Your cover under ‘Property damage’ includes related legal costs and expenses that we agree to.

Bodily injury

You are not covered under ‘Bodily injury’ for any related legal costs and expenses.

• your vehicle is being driven with your permission for your employer’s business
• you are using an uninsured motor vehicle that does not belong to you. This vehicle must not be a hire, rental or lease vehicle. This policy does not cover any loss to the vehicle being driven.

What we do not cover under legal liability
You are not covered for any of the following:

• exemplary or punitive damages awarded against you
• legal defence costs, court costs and any levy, fine or penalty (other than a reparation order) arising from a prosecution of any offence under any Act of Parliament including regulations, rules or by-laws, against you, your employer, or any person using your vehicle
• legal costs incurred by any other party that you agree to or are ordered to pay
• legal liability that you assume by agreement, unless you would have been liable anyway (or are ordered to pay)
• any loss to property belonging to you, or in your care, custody or control, unless that property:
  ◦ belongs to the passengers in your vehicle
  ◦ is an inoperative vehicle that you are towing (but not for financial gain).
